For this purpose, the following documents will need to be called for:-

1. Attested copy of the Death Certificate of the deceased member.
2. Photocopy of Aadhar card of the deceased to determine the age of the Accountholder as on the date of death. If Aadhar card is not issued then attested photocopy of any one of the following age proof can be called for :-

a) Extract from Birth Register
b) Extract from School Certificate
c) Ration Card
d) Voter's Identity Card

If the deceased completes 60 year of age before the date of death, then the Life Insurance Benefit will not be available to the person. Hence, the age on date of death assumes importance.

    b) Attested Photocopy of Aadhar Card of the deceased.

I. PROCEDURE TO BE FOLLOWED BY LIC ON RECEIPT OF CLAIM INTIMATION

On receipt of Claim Form from Banks, after doing necessary inward procedure, the user of P&GS unit take following steps:

1. Verify that the Claim Form is filled up in all respect and deceased has fulfilled the eligibility criteria on the basis of documents submitted by bank.

2. If the claim is otherwise payable, user will log into the claim module for PMJDY (Pradhan Mantri Jan Dhan Yojana). The relevant data will be entered in to the module.

3. The module will generate queries within the system for checking two aspects

    a) If the claim has been paid earlier on the same life in order to avoid payment of claim on more than one occasion on same life.

    b) Whether the deceased is also covered under Aam AdamiBimaYojana.

4. The query will generate output from two data bases which would either affirmative or negative.

5. If output is affirmative, the list of records would be generated by module for verification by the user. After due verification on manual basis, if it is ensured that the claim on the same life is not paid earlier or the deceased is not covered under AABY, the same has to be authenticated by the supervisor. After authentication by the supervisor, the user can proceed with the settlement of the claim.

6. The above process will ensure non payment of duplicate claim under PMJDY and AABY to the extent possible. The Aadhar Card number of the deceased as well as the claimant will also be used for de-duplication purpose.

7. If the output is negative, the module will allow the user to proceed with the settlement of claim.

Registers and records of claim payment will be maintained on similar lines as in case of Registers for AABY claims. Since DAB and Disability benefits are not payable under PMJDY, relevant columns are to be excluded.

J. The Claim form can be downloaded from www.licindia.in, www.iba.org.in, http://financialservices.gov.in, www.nic.in.
